

Homesnap Stories: **SHOW, TELL, SELL!**

Homesnap Stories allow prospective buyers and agents to immerse themselves into a home, before stepping foot in it! For the first time ever, agents are able to create their own marketing content to bring their listing to life.

Redesigned Media Center:

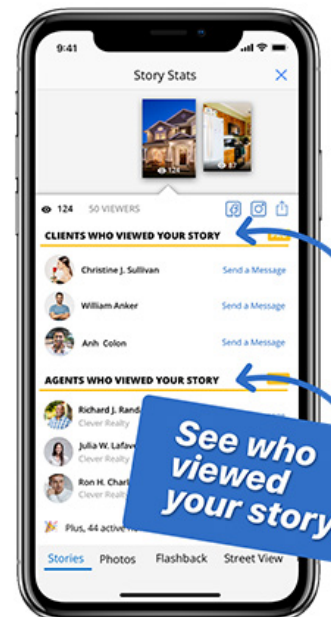

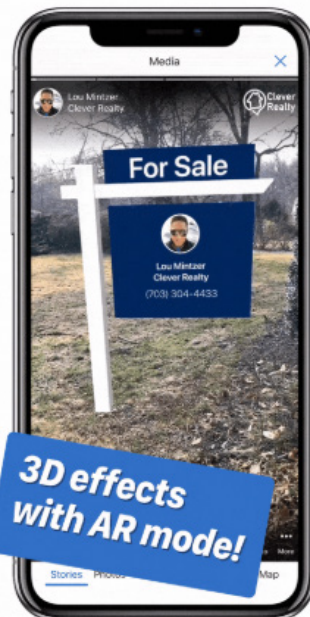

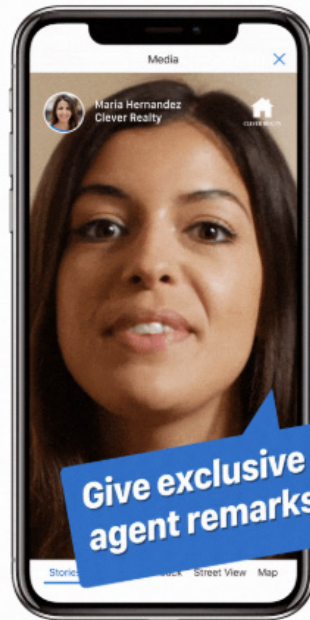

- Google Street View
- Add Story
- Stories
- Photos
- Virtual Tour
- Map View

NEW FEATURE: Homesnap Stories →

Create marketing content that highlights your expertise about a property and adds your personalized touch. Connect with potential home buyers that view your stories and re-share your Homesnap Stories on social media for increased exposure!
